

Easy Enrichment for Shelter Cats

Food Tubes

Supplies

1. Cardboard tubes (toilet paper rolls, paper towel rolls cut in half)
2. Food combination of your choice: wet food, cat treats, tuna, easy cheese, dry food, etc.

1. Fold over the edges of one end of the tube to close it off.

2. Add desired food mixture to the tube.

3. Fold over the edges of the second end of the tube.

4. Distribute to cats to enjoy.
