### Arbor Day Celebration

Members of the Garden Club of Fleming Island celebrated Florida's Arbor Day, January 20, 2017, by planting another tree at the Headquarters Library in Fleming Island. In the center of the picture are Branch Manager, Kelly Bohannon, and Club President, Martha Klair. The tree is a new crepe myrtle variety with deep red flowers. The Club has, on two previous Arbor Days, planted trees on the Library's property.
