Good Governance

To create a governmental environment that is accountable, responsible, and transparent for the citizens of Clay County; engages in fair and thoughtful decision-making; is forward-thinking and innovative; fosters opportunities for citizen engagement; and ensures good financial stewardship.

GOALS

- GG1 - Inform Clay County citizens through multiple platforms to engage in consistent communication about important issues.
- GG2 - Work to ensure a financially responsible plan for both budget and purchasing of goods and services which includes looking for ways to diversify revenue to become less dependent on ad-valorem tax revenue.
- GG3 - Keep and attract a highly skilled Clay County employee workforce to provide the highest level of service to County residents and visitors. Ensure that the workforce is trained to perform their jobs at a high level.
- GG4 - Continue and build relationships with outside partner organizations' leadership (i.e., constitucionals, other elected bodies, economic development partners, and developers) to provide a connected approach to the issues facing the County.
- **Bold Goal: Generate \$100 million in grant revenues.**

TARGET - GG1.T1

Increase overall communication participation (i.e., social media, website, newsletter) by 50% in five years.*

*Goal accomplishment will be measured by average percentage of entire year for all categories.

Current
BCEGS Score:

5

Specific steps we are taking to improve the score:

- Increase the number of licenses held by each inspector.
- Reduce the number of inspections/plans reviews done daily per inspector by increasing staffing.
- Increase the accuracy of our record-keeping through a new permitting system.

We are looking to be reassessed by BCEGS in 2026.

TARGET - ECD5.T6

Encourage at least one agricultural land owner to participate in the Florida Department of Agriculture and Consumer Services (FDACS) Rural and Family Lands Protection Program.

Latest Update:
Staff attended the O2O workshop to learn more about how to attract agricultural land owners to conserve land.

Bold Goal

Achieve a Class 3 ISO Public Protection Classification.

Current Ranking: Class 4

What are we doing to achieve our goal?

- Continuing the design process on the Burn Building.
- Working with CCUA to secure up-to-date hydrant data.
- Continuing to hire new firefighters.*
- Added a ladder truck and rescue for in-service use.*

**These items are critical to improve our score as we improve our assembly time (a certain number of firefighters on scene within a certain time).*

Infrastructure

Ensuring the County is maintaining its structures, facilities, and roads at the highest level while looking to grow and provide satisfactory resources and promote resiliency.

GOALS

- IN1 - Promote different forms of transportation to provide options to citizens. Examine ways to grow the existing transportation services that are offered in the County.
- IN2 - Maintain and grow our current road system, ensuring that the road system supports the changing needs of the County.
- IN3 - Develop community connectivity through the sidewalks and trails in the County to increase walkability and bikeability and create additional recreational opportunities.
- IN4 - Improve systems to prevent flooding, protect waterbodies, and prevent damage to property and wildlife habitat. Take into account the impacts of hurricanes and sea water rise on stormwater systems and promote County resiliency.
